About SVKM

Shri Vile Parle Kelavani Mandal is a Public Charitable Trust registered under the Society's Registration Act and Bombay Public Trust Act. From its humble beginnings in 1934, when it took over the Rashtriya Shala, a school established in 1921 in the wake of the National Movement, the Mandal today has grown into a big educational complex imparting high-level education to more than 35,000 students.

SVKM NMIMS Global University

Embark on a transformative educational journey at SVKM NMIMS Global University, Dhule's newest state-private university. As an extension of the esteemed SVKM NMIMS legacy, we bring a rich heritage of academic excellence to the heart of Maharashtra. We are dedicated to nurturing young minds, equipping them with the knowledge, skills, and global perspective needed to thrive in the ever-evolving world. At SVKM NMIMS Global University, we are passionate about igniting your potential and empowering you to become a global citizen. We invite you to join us on this exciting adventure!

About SVKM's -IOT, Dhule

SVKM's Dhule Campus Dhule is largely emerging as one of the biggest future hubs of technology and Education. The Institute is NBA and NAAC accredited. It has gained a strategic advantage for being on the junction of three National Highways viz. NH-3, NH-6, and NH-211. Dhule is aiming to develop into an industrial town which may provide next generation technologies across infrastructure sectors.

About the Conference

Internal Quality Assurance Cell & Department of Information Technology, SVKM's Institute of Technology, Dhule, Maharashtra, India is organizing a two day international conference on "1st International Conference on Advances In Information Technology (ICAIT 2025)" during August 01-02, 2025. The Conference looks for significant contributions to all major fields of multidiscipline in theoretical and practical aspects.

The aim of this conference is provide an excellent international forum for sharing knowledge recent trends to meet and share cutting-edge development in the field.

Conference Themes but not limited to

- Artificial Intelligence & Machine Learning
- Cloud Computing
- AI and Robotics
- Biomedical Engineering
- Quantum Computing
- Block Chain
- Algorithms and Models
- Information Technologies and Applications
- Computer Vision
- Natural Language Processing
- Statistical and Structural Pattern Recognition
- Bioinformatics and Scientific Computing
- Performance Analysis and Evaluation
- Evolutionary Computing and Optimization
- Sustainable Agriculture with AI
- Optimization Techniques
- Pattern Analysis and Classification

How to reach

The nearest Airport from Dhule is Aurangabad Airport, roughly 157 Kms from Dhule. The airport is well connected to many major. Travelling by trains from New Delhi and passing through Bhusawal, One needs to alight at Bhusawal Railway Station, and from Bhusawal to Dhule travel by road via Jalgaon.

Technical Advisory Committee

Dr. Tariq Abdullah, Computing & IT, College of Science and Engineering, University of Derby, United Kingdom
